

NOTICE

In adjusting with the new online portal from Social Security, please be advised that payment methods through our services have changed.

Effective September 8, 2017:

1. All Social Security payments made over the counter at any of our branches **will be discontinued and can be conducted via Atlantic Online.**
2. When conducting Social Security payments via Atlantic Online you will need **the reference number from the Social Security portal to complete the transaction.**

We encourage those that have not registered for the Social Security portal as yet to contact their nearest Social Security Office.

Building the future together
